To Kill a Mockingbird

Research and Information Piece

Task:

- Using the internet and a search engine of your choice, enter the words 'Racial segregation'
- From the information you come across, make a list of 20 important facts and / or pieces of information. Be sure to narrow your information to the time period and location of the novel
- Put your information into categories (community rules, legal legislation, government rules, important people, etc.)
- Choose one category of racial segregation and use the information in your list to write one information paragraph
- Write a topic sentence that identifies the main idea of your piece
- Organize the information into full sentences; be sure they flow logically
- Add transition words
- Write a concluding sentence that restates the topic sentence in a different way
- Proofread your paragraph to correct any spelling or grammar errors!
- Give the paragraph a unique title
- Type and double space your paragraph
- Include an accurate Works Cited page

You must hand in your list of 20 important facts AND your information piece!
